opening roofs 
By Louvretec

Louvretec Opening Roofs create more space in your home by creating a stunning Outdoor Room, perfect for gatherings. With different styles of Opening Roofs to choose from we have you covered no matter what your location's wind zone.

louvretec retract

By Louvretec

Louvretec is proud to bring you our **Retract Roof** range. With all of the functions of our standard Opening Roof range, Retract Roofs take it one step further by allowing the blades to retract back. Enjoy the sky overhead or bring the Louvres back for operable overhead shelter.

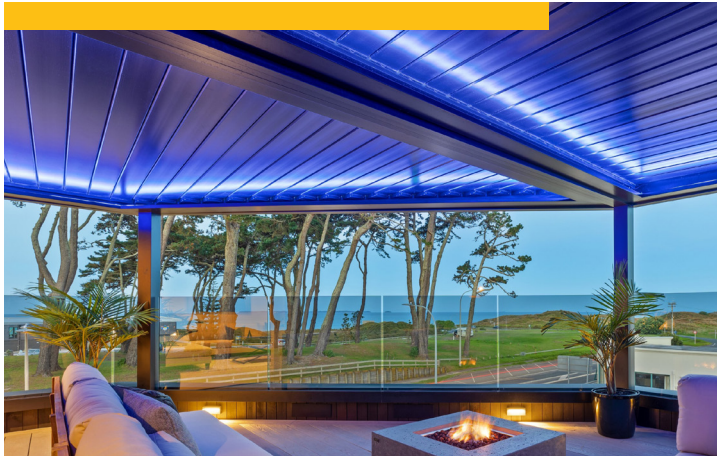

slidetec

frameless glass sliding doors
By Louvretec

Louvretec's **Slidetec Frameless Glass Sliding Doors** are a great way to close in the sides of your Louvretec Opening Roof, to create an ultimate Outdoor Room. Enjoy a clear view & rain and wind protection or slide them open for a gentle summer breeze if you wish.

lighting

heating

Louvretec's **Light-Tec Outdoor Lighting** add final finishing touches and create atmosphere and functionality at night. Options include Lighting to the Front or Inside Face of the Gutter, or Under Frame Downlights. Choose from Warm White, or RGB colours on request. Lighting options may vary between Louvretec Dealers.

Cosy up your **Outdoor Room** with an **Outdoor Heater** that pairs perfectly with a **Louvretec Opening Roof**. Create & enjoy a warm and inviting outdoor living space when the temperature cools. Louvretec recommends Bromic Outdoor Heaters, however heating options may vary between Louvretec Dealers.

outdoor blinds *By Louvretec*

Louvretec's range of **Outdoor Blinds** include Motorised or Hand Operable Mesh Shade Blinds as well as Hand Operable PVC Blinds. Outdoor Blinds are a great way of creating an Outdoor Room that will become the new favourite room. Mesh Shade blinds are available in different colours and degrees of Mesh 'openness'. Outdoor Blind options may vary between Louvretec Dealers.

sun louvres

By Louvretec
