

ELEVATE YOUR OUTDOOR LIVING AREA.  
BY LOUVRETEC AUCKLAND

220/35 SLIMLINE LITE RETRACT BLADE SHAPE  
(RETRACT & SPIRAL PIVOT COMPATIBLE)

POWERED BY SOMFY MOTORS

## ALL NEW FOR 2024 INTRODUCING THE LOUVRETEC SLIMLINE RANGE OF RETRACTING ROOFS

These blades are also Spiral Pivot Opening Roof compatible

Louvretec's 2024 range of Retract Roofs incorporates new Slimline design with "Cushion Closing" functionality.

Louvretec Slimline is a completely new Louvre Roof range, developed for Retract and standard Opening Roof usage.

### Slimline Retract Roof Key Features

Available in two sizes;

- 220/35 Slimline Lite (Retract Roof & Spiral Pivot Opening Roof Compatible!)
- 220/45 Slimline Heavy (Retract Roof & Spiral Pivot Opening Roof Compatible!)
- Sleek, functional design, clean and uncluttered when open or closed
- Design strength of an extruded double box-section
- Somfy powered or hand-operated award winning Spiral Pivot operating system
- "Cushion Closing" onto an external sun-resistant PVC bulb seal
- Increased closing cover angle for added weather protection
- Larger blade gutter incorporated for extra stormwater dispersal

### Now powered by Somfy

The same tried and true motorisation that operates our award winning Spiral Pivot system now operates our Retracts - Two Somfy Motors per Retract.

### Customised Louvretec Controller

A wireless handheld remote, custom made for Louvretec by Teleco Italy is standard. These multi-function remotes can also control lighting, heating and other Somfy powered items such as motorised outdoor blinds.

### Proudly NZ & Australian designed and manufactured

All jointly designed, manufactured and distributed worldwide by Louvretec NZ Ltd & Louvretec Australia Pty Ltd.
